Saturday, Sept 21, with picnic

Thursday, July 25

Thursday, August 22

★ All workdays are 9 am—Noon

Thursday, October 24

★ The picnics are BYO, 12-1 pm

This rhododendron and azalea treasure in suburban Falls Church awaits the community at the White Gardens. Although development is not yet funded, the plant collection still needs care. You can help.

Everyone should bring gloves and water, and wear long pants and sturdy shoes. If you bring any garden tools (rakes, pruners, saws, tarps), make sure they are labeled with your name.

Address for the workday location:

John C. and Margaret K. White Gardens

3301 Hawthorne Lane in

Falls Church, Virginia

Directions: From Annandale Rd (just south of the intersection with Kerns Rd), turn east on Holloman Rd. Take next left on Princess Anne Ln. From the end of the paved road continue into the park.

Beware: mapping programs and GPS units may not bring you to the site using the directions above. Despite what these programs may say, the only vehicle entrance to the property is from Princess Anne Lane.

Heat or rain plan: If it is below 100° heat index, drizzly or misty, we will still meet. If it is above 100° heat index, pouring or storming, we will not. Please call Mary Olien's phone at 703-642-0073 for an updated weather plan message.

RSVP appreciated but not required. Contact information:

Mary Olien, mary.oliem@fairfaxcounty.gov, 703-642-5173
